ASCENSION HEALING CANDLES

Taking a cue from the ancient rituals and traditions, we at Ascension have curated specialized candles infused with crystals, necessary herbs and oils to make your healing ritual a success.

Our various healing candles are as follows, taking care of specific areas and goals:

1. Protection
2. Cleansing
3. Health
4. Love and Peace
5. Abundance

Protection Candle

A purposefully curated crystal & herb candle to make you feel safe, protected & alleviate fear, allowing you to protect yourself, your space. This is a creative way for you to detox your mind by helping you set an intention before meditation.

The idea is to: Be provided with this great protective hand-poured candle made with warm scented oils & crystals.

We combined the oils & protection crystals such as the black tourmaline & black obsidian to encourage luck & optimistic attitude. Wipe out all negativity. These crystals & special herbs are well known for their power of protection against negative energy. Excellent for meditation & to clear your mind of unwanted energy.

Ingredients:

Oils: Frankincense Oil, Myrrh Oil, Sage Oil, Cedarwood Oil, Black Pepper Oil, Patchouli Oil, Clove Oil

Flowers: Marigold (Genda), Hibiscus, Lotus, Rose (Red Swnite), Jasmine, Lavender, Dhatura, Sunflower

Wax: Soya Wax

Cleansing Candle

A cleansing candle is a candle that is made with ingredients that are typically used in energy cleansing practices to clear away negative energy. These ingredients include various types of herbs as well as healing crystals with properties such as protection, energy cleansing & peacefulness.

Our energy cleansing candle is made to help clean away negative energies & replace them with love, light & positive energy. It creates a calm & relaxing environment. The energy candle has a herbal earthy scent with necessary crystals — healing crystals. Handmade & hand poured for a long, clean burn.

Ingredients:

Oils: Sage Oil, Palo Santo Oil, Lavender Oil, Tea Tree Oil, Lemongrass Oil, Frankincense Oil

Flowers: Sage, White Rose, Jasmine, Lavender, Genda Flower, Lotus

It brings calm, clarity, and divine connection.

Let it remind you that you are always supported by the Universe.

ASCENSION BATH SALTS

The Sacred Meaning of Salt

Throughout history, salt has held deep symbolic and spiritual significance. Across cultures and scriptures, including the Bible, salt is used to represent:

- Permanence
 - Loyalty
- Durability
 - Purity
- Healing
- Protection
- Cleansing

Salt is not just a physical purifier — it is also a spiritual one. It helps the human body function, generate energy, maintain balance, and even regenerate.

The Benefits of Salt

Salt works on all levels — physical, emotional, mental, and energetic.

- It cleanses
- It purifies
- It absorbs negativity
- It restores energetic balance
- It supports healing and emotional release

Keeping these powerful qualities in mind, we at Ascension Wellness have created a range of powerfully infused salts designed for various intentions, rituals, and personal needs.

How to Use:

Foot Soak – Add to warm water and dip your feet to relax and ground your energy.

Body Scrub – Gently massage on damp skin to cleanse and protect.

 Bath Water – Mix a fistful into your bath or bucket water and pour over your body.

✧ Foot & Bath Ritual – How It Works

At the end of the day, dipping your feet in this salt water helps release physical, mental, and emotional stress that your body and mind have absorbed. It gently cleanses you of unnecessary toxins and negative energies, creating a protective invisible shield around your aura.

A Note on Skin Sensitivity

Some people may experience irritation from direct rubbing of salt on the skin. For this reason, we recommend using our herb-infused salt for foot soaking — it offers deep relaxation without irritation.

✧ Other Ways to Use the Salt

Place a small bowl of salt in various corners of your home or office where the energy feels heavy. Salt naturally absorbs negativity and cleanses the entire space.

ASCENSION HEALING OILS

Essential oils are concentrated plant extracts that capture the pure aroma, therapeutic properties, and healing essence of flowers, leaves, bark, seeds, and roots. Used for centuries in wellness practices, they offer powerful benefits for the mind, body, and emotions.

These oils are highly potent and aromatic, working through inhalation, topical absorption, and energetic influence. When blended into bath salts, massage oils, diffusers, candles, or healing rituals, they help restore balance, elevate mood, and support holistic well-being.

Key Benefits of Essential Oils:

- Promote relaxation and reduce stress
- Boost mood, positivity, and confidence
 - Support immunity and wellness
- Ease muscle pain, headaches, and body tension
 - Enhance focus, clarity, and energy
- Balance hormones and support emotional healing
 - Purify air and uplift home ambiance

Each essential oil carries a unique vibration, scent profile, and therapeutic benefit, making them versatile tools in aromatherapy, chakra healing, and holistic self-care.

Because they are highly concentrated, essential oils should always be used with care—diluted properly, blended thoughtfully, and chosen with intention.

In every drop lies the essence of nature — pure, potent, and transformative.

How to Use:

Apply a drop on your wrists, behind ears, or near the heart before
stepping out or starting
your day

Use during meditation, prayer, or whenever you feel drained or
unsafe energetically

Reapply especially on Full Moon (Purnima) & New Moon (Amavasya)

ASCENSION WAX TABLETS

Wax tablets are beautifully crafted aromatic pieces made with natural wax, essential oils, herbs, and dried flowers. Designed to gently scent small spaces, they bring a touch of elegance, calm, and intentional energy wherever they are placed.

What They Do

- Infuse your surroundings with a soft, long-lasting natural fragrance
- Enhance the aesthetic energy of your room, cupboard, drawers or workspace
 - Carry the healing properties of essential oils and botanicals
 - Work as decor + scent in one piece
 - Promote emotional balance when blended with intention-based oils
(peace, grounding, intuition, cleansing, etc.)

How to Use:

Hang or place the wax tablet near your entrance, bed,
work desk, or altar

Use in your closet, or purse for on-the-go protection

Replace or re-energize under Full Moon (Purnima) &
New Moon (Amavasya)
